Semester Project Record
WEEKLY PROJECT STATUS REPORT

PROJECT NAME	NepHench	PROGRAM	BCA
PROJECT LEAD	Astha Shrestha	SEMESTER	8TH SEM
TEAM MEMBERS	Astha Shrestha	DATE of STATUS ENTRY	May 12, 2023
	Diwash Karki	PERIOD COVERED	
	Simran Shilpakar		start from May 1

PROJECT STATUS THIS WEEK

OVERALL PROJECT STATUS	Completed some initial planning, identified key tasks or milestones, and started work on the few tasks (almost 10% of the total project).
MILESTONES	1. Analysis of concepts and requirements defintions; Determine current state and our expectation.
	2. Arrange the teams and tools needed to optimize production.
	3. The app design is created with the help of figma that define how the user interface (UI) will look and function.
	4. Design database structure with class diagram and defining the relationship between the entities through ER diagram by using Dia platform.
TARGET NEXT WEEK	Implementation of UI through coding using REACT-NATIVE JS and creating REST API for backend using JAVA SpringBoot.

Supervisor : Sunil Sapkota
